“Doing Today What Will Count For Eternity” Matt 28:19-20

**Memo from the Home Office**

Please join together in prayer as an Association and churches for the following requests until the Lord provides relief:

- Spiritual strength for all believers around the world as they strive to model faith in difficult situations and circumstances.
- Pastors who are trying to make decisions and care for the people they shepherd while adjusting ministry functions.
- Churches as they reach out and support their communities and those in need.
- Physical and spiritual healing for those contracting the virus.
- Government leaders, (local, state and national) levels as they develop guidelines and provide assistance.
- Provision and assistance for individuals, businesses, and churches feeling the impact of the current climate.
- BFA and member churches decisions regarding ministry opportunities and operations.
- Pray for your local health officials, nursing home officials, police, and fire departments for safety and health.

Blessings,

Dr. Victor Clay
